**George Weigel presents “10 Ways to Be a Greener Gardener.”**

**Saturday, October 2<sup>nd</sup>, 10 a.m. in the pavilion at Meadowood Nursery**

George Weigel believes Gardeners should be leading the pack when it comes to caring for the environment. George’s program – in the heart of fall planting season — offers a range of enviro-friendly practices that also make good gardening sense, such as rain gardens, rain barrels, composting, spraying less, making smart plant choices and more. **Program is free and open to the Public with a percentage of any plant sales going to Channels Food Rescue of Harrisburg.** <http://georgeweigel.net/>
